

Classic Complete Wedding Package

The name says it all, this is my most popular package, it contains all the elements for a great celebration, including a complete evening of entertainment and music. A Classic reception begins with Cocktail & Dinner Music of your style to set the perfect mood for your celebration. I'll be your DJ as well as Master of Ceremonies, including introductions, toasts and other formalities you wish to include. I'll also expertly spin your favorite tunes on my state of the art sound system. My professional system delivers perfect sound and my wireless microphone allows a toast to be given anywhere in the room. A great way to create the perfect mood for your dance floor is with multi-color beams of light that dance to the beat of the music this will create amazing energy and make the floor come alive. If you like, a mystical Hazing effect is added at no extra charge. My Complete Classic Package assures you that your celebration will turn out exactly the way you want.
